JIM NOWLIN

Jim was seriously injured back in January during the ice storm. He is making slow but "sure improvement." He starts physical therapy at the end of the month.

MARK STILES

Mark was injured in a hunting accident in Louisiana before Christmas. He was released from the hospital on March 30th after 101 days. He is progressing with the physical therapy but still needs a walker and a wheelchair. He says, "slow but steady progress."

BARRY TELFORD

Barry contracted COVID last fall and was seriously ill but has been removed from the ventilator and is improving. We are waiting on an update and will provide it then. Barry, if you're back on your computer let us hear from you!

Kent Hance

This continues to be one of the best, funniest podcasts out there. If you haven't heard it, check it out - especially his interview with Dr. Ben Carson.

Julian Read

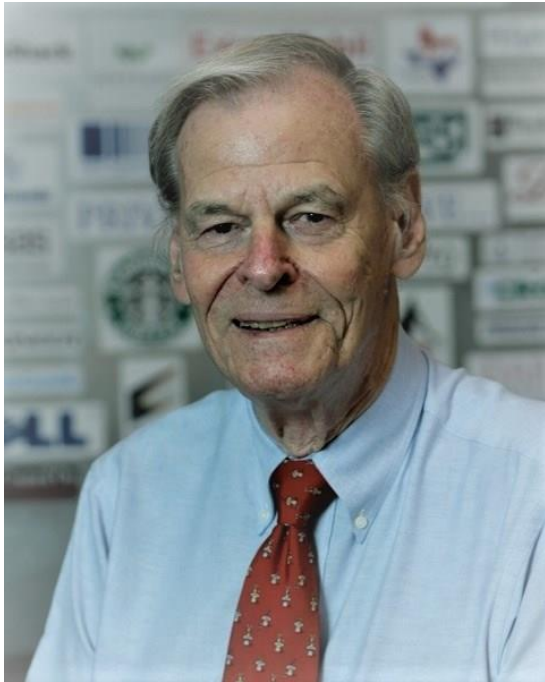

Many of you knew Julian who has been a strong presence in the PR area in Austin since the 1950s.

He passed away on Saturday.

He was from my hometown of Ft. Worth and a graduate of TCU. On a personal level he was one of the nicest people you'd ever meet. Deepest sympathy to the family and especially his daughter

Courtney Read Hoffma, a consultant at the Capitol.
